To our Patrons and Friends

In presenting our Catalogue for 1902, we take great pleasure in thanking our customers for their liberal patronage, and we hope most sincerely that we will enjoy their confidence in the future.

New customers will please to bear in mind, that we will do everything within our power to give satisfaction.

The Seeds we offer are of the highest grade obtainable, and as low in price as reliable seeds can be purchased anywhere.

Ordinary Retail Packages of Seeds and Small Plants, we forward free by mail or express.

Bulky Seeds sold by weight, and large Plants and Bulbs we forward by express or freight, at purchaser's expense.

We can forward plants with safety at almost any season of the year, and as we do not use artificial heat in growing them, we can faithfully promise their safe arrival and success in growing them on, if our patrons will be a little judicious in the treatment. We are always ready to answer questions and give any desired information, and any mistake on our part will be rectified cheerfully.

We will be very thankful to our old as well as new customers, if they will give us the names of their friends, who may be in need of anything in our line.

Novelties in Plants
For 1902

BEGONIA GLOIRE DE LORRAINE

This is, no doubt, the most valuable introduction for many years past. There is no end to its flowering, particularly during the entire winter season. It is simply one great mass of very bright pink flowers, and at this time (January) we have plants with over 500 well-developed flowers. Price of good plants, 75 cents each; after July 1st, 50 cents.

ASPARAGUS DEFLEXUS (Decumbens)

A new variety of the popular Asparagus family, of a trailing habit. The very graceful foliage is of a light bluish green. Strong plants, 35 cents each.

NEW CLIMBING ROSE "EVERGREEN GEM"

A most wonderful grower. Not only evergreen, but growing during mild weather in winter. Stems long-branching, rich, bronze color, closely matted. Flowers produced singly on stems, yellow, buff in bud, opening to almost white, two or three inches in diameter, perfectly double, and of a delightful, sweet-briar fragrance. This will be found most valuable for landscape work, as well as for cut-flower purposes. Strong young plants, 25 cents.

LIPPIA REPENS

The best substitute for lawn grass, thrives in any soil, no matter how poor. Rapidly covers the ground with a very dense matting. Will smother all weeds. The more trodden upon the better it grows. Adopted in Southern Europe for lawn-tennis grounds. Takes ten times less water than any lawn. Needs no mowing. Will stand intense heat and several degrees of cold. Can easily be established on sloping ground.

For immediate effect plant at one foot apart. Sod 2 inches square, 25 cents. Well-rooted plants, $3.00 per 100; 25 at 100 rates.

THE GENUINE AND TRUE IRISH SHAMROCK

Or four-leaved clover; direct importation. Very fine for rockwork. Strong plants, 25 cents each.
LAST YEAR'S NOVELTIES

SHASTA DAISIES
A hardy perennial, grows well in any kind of soil; flowers 4 inches in diameter, pure white with yellow center; stems 2 feet long, produced in great abundance. Strong plants, 25 cents each.

RED FLOWERING GUM (Eucalyptus Ficifolia)
Producing a mass of red flowers when quite young. 25 cents each.

INDIAN STRAWBERRY
A beautiful basket-plant, producing its bright red fruits all along its runners. 15 cents each.

CYPERUS GRANDIS
(New Umbrella Plant.)
An easily-grown showy pot-plant. The greatest novelty ever introduced. The plants are very fast growers, robust, but exceedingly graceful, growing well under almost any condition. We do not know of a more satisfactory house plant and everybody admires it. We offer small plants at 25 cents; large plants, 50.

BLUE COWSLIP
A hardy garden primrose, of the richest velvety blue color, a most striking novelty, offered for the first time. It is a genuine surprise in color and the flowers are large and freely produced. 15 cents each.

GERANIUM "MARS"
A new dwarf Geranium, excellent as a pot-plant and exquisite for bedding. It produces more flowers than any other Geranium we know of, color a light pleasing shade of salmon, single, very dwarf and compact in growth. 15 cents each.

NEW CANNA "SALMON KING"
This Canna originated in California; its growth is dwarf, blooms constantly, the flowers are very large, of a rich salmon red. It is by far the finest variety we have ever known. Stock limited. 25 cents.

SCOTCH PINKS
These free-flowering, hardy Garden or Border Pinks have not appeared in our Gardens for some years. We have raised a fine stock of them in many shades of colors, which will bloom this spring. We offer them in strong plants at 10 cents each; 50 cents per dozen, mixed colors.

ROMNEYA COULTERI
California Tree-poppy. Native of Southern California, the flowers are poppy shape, cream-color, 4 inches in diameter. Very scarce and stock limited. $1.00 each.

BEGONIA VERNON, SCARLET
Of a dwarf, bushy habit, flowers very bright scarlet, beautiful for the house, as well as for bedding in summer. 15 cents.

BEGONIA PICTAVIENSE
The grandest of all winter flowering Begonias, foliage large and beautiful, truss of rose-colored flowers immense and lasting for months. 50 cents.
Seeds, Plants and Bulbs.

BEGONIA MONSIEUR DE LESSEPS
Large, showy leaves, immense trusses of cream-colored flowers, splendid for winter flowering. 15 and 25 cents.

CAREX VARIEGATA
An exceedingly pretty, grass-like plant, of easy culture, graceful habit, and finely variegated; good plants. 15 cents.

EDELWEISS
A most interesting Alpine plant, from the Swiss Mountains, familiar to all who have visited the Alps. It thrives well here and has bloomed with us for months. Very hardy. 25 cents.

GERANIUM, MAD. HOSTE
Of all the new Geraniums this is the most striking combination of colors—rich crimson lake at the edge, shading to rosy carmine towards the center, with large white blodges in the center. Small plants, 15 cents each.

GERANIUM, CARNOT
The very finest of all double Geraniums; compact dwarf growth; a fine pot-plant. Ground color white; large center of bright red. Very beautiful. 15 cents.

NEW FUCHSIA "BRUANT"
An immense double flower of the richest violet-blue, heavily striped bright rose; a most robust grower and free bloomer; a very decided new combination of colors. 15 cents each.

GERANIUM, DOCTOR NANSSEN
The best single pure white ever offered. Fine habit; constant bloomer. 15 cents each, young plants, by mail.

JASMINE, GRAND DUKE
New on this Coast, producing double white flowers, very deliciously fragrant, in great profusion. 25 cents each.

JASMINE, MAID OF ORLEANS
Large double white flowers, blooming profusely all summer in a warm position. 25 cents.

HOUSE PLANTS
Azalea Indica—The finest winter flowering plant, in many colors, single and double; will also thrive in the open air, but will only stand light frost. Imported plants, full of buds. $1.00 to $1.50 each.
Abutilon—Flowering Maple, in red, pink, yellow and white; flowering all the year round. Small plants, 15 cents; large plants, 25 cents.
Achyananthus—Bright red foliage, and showy for pots or baskets. 10 cents each.
Anthericum—Variegated, broad, grass-like foliage, green and white; one of the best hardy house plants. 15, 25 and 50 cents, according to size.
Aspidistra—The most hardy and prolific of all the house plants; dark green with white stripes or entirely green. Small plants, 25 cents; large plants, $1.00 to $3.00 each.
Asparagus

These are most popular house plants, are easily cultivated, and give general satisfaction. We offer the following varieties:

Asparagus Tenuissimus—Developing foliage constantly. Small plants, 15 cents; large ones, 25 to 50 cents.

Asparagus Plumosus—Lace-like foliage; very graceful. Small plants, 25 cents; large plants, 50 cents.

Asparagus Plumosus Nanus—Of a more bushy habit; very scarce. 25 cents each; fine large plants, 50 cents.

Asparagus Sprengeri—New; constant grower; withstands cold as well as hot weather. Very fine for baskets or brackets. Nice small plants, 25 cents; large plants, 50 cents.

Begonia

These are divided into three sections: Winter flowering, Summer flowering and Foliage or Rex Begonias. Of the winter or ever-blooming kinds we offer the following: Rubra, Vernon, Marguerite, Metallica, Scandens, Argentia, Guttata, Sanguinea, Picta-rosea, 15 to 25 cents each.

The Summer flowering or Tuberous-rooted Begonias bloom during the entire summer season. They produce flowers in profusion, 2 to 3 inches in diameter; in colors we have white, scarlet, pink and yellow, both single and double; they are the admiration of everybody. Flowering bulbs in a dormant condition can be supplied from January until April. Single flowering bulbs, 10 cents each; double flowering bulbs, 25 cents each—free by mail.

Foliage or Rex Begonias we can supply in 6 best varieties at 25 cents each.

Cactus—These we have in many varieties. Night-blooming Cereus, Phyllocactus in various shades, Epiphyllums, Mammillarias; also, Aloes, Hauworthias, etc. Small plants, 15 cents; large plants, 25 to 50 cents.

Cineraria—All colors. Small plants can be supplied from October to March, at 10 cents each; $1.00 per dozen; large plants, 25 cents.

Cyclamen—Nice plants for winter flowering. 25 cents to 50 cents.

Coleus—Brilliant foliage plants; ready, in nice well-colored plants, in April and throughout summer. 10 cents each; $1.00 per dozen.

Camellia—The queen of flowers. Large blooming plants, double white, double pink and double red, 75 cents to $1.00 each. Extra large plants, $2.00 to $3.00 each; small plants, 25 cents. Single red, 15 cents.

Ferns—We offer some 25 varieties of the most popular varieties, such as Maiden-hair, Sword Fern, and others. 25 to 50 cents, according to size.

Ficus or Rubber Plant—Large, fine plants, Australian rubber, 50 cents and up. South American Rubber, the true Ficus elastica, $1.00 to $2.50 each. 2 to 6 feet high.

Gardenia or Cape Jasmine—Most fragrant and beautiful double white flowers during summer. 25 cents each.

Hoya Carnosa Wax Plant—Fragrant flowers. 15 to 25 cents each.

Hibiscus—Elegant flowering plants of brilliant colors. 15 to 25 cents each.

Heliotrope—White, lavender, dark blue. Small plants, 15 cents; large plants, 25 cents each.

Imantophyllum—Amaryllis-like plants with beautiful orange-colored flowers, blooming in spring and fall. Small plants, 25 cents; large plants, 50 cents.

Jasminum Grandiflorum—White, star-shaped flowers, deliciously fragrant. 25 cents each.
Primula Chinensis—Chinese Primrose. For winter flowering, it stands at the head.—They will flower, with ordinary treatment, for nine months in the year. Various shades from white to pink and red. Small plants, 15 cents; large plants, 25 cents.

Primula Obconica—Japanese Primrose. Has given more satisfaction to our customers than any other house plant. It will bloom 365 days in the year, and is of very easy growth. Color, white to lavender. 15 to 25 cents each.

Resurrection Plant—Semper viva. These are imported as dry balls, and when set in water will expand and transform into lovely rosette of beautiful velvet green, fern-like moss, and will live and grow for years. Both odd and marvelous. 15 cents each by mail.

Smilax—Small plants or roots, 10 cents by mail; large plants, 25 cents.

Selaginella Emiliiana—Beautiful fern-like moss; easily grown in shady position, either warm or cool. 15 to 25 cents.

Umbrella Plants—(Cyperus) 15, 25 and 50 cents, according to size.

Palms

Of these we have a full collection, all grown in a cold house without artificial heat. The most popular kinds are:

- Kentia Belmoreana—Finest house Palm. 50 cents to $3.00.
- Chamaerops Excelsa.—Hardy. 50 cents to $2.00.

Pelargoniums
(Lady Washington Geranium)
So many new varieties in this line of Fancy Lady Washington Geraniums has increased the demand for them wonderfully. The exquisite coloring, the large, undulate and fringed petals, their free flowering and easy culture certainly makes them most desirable. The following varieties are the best in the market:
Anita—Charming flowers; bright pink, feathered velvety crimson, white center.
Mrs. O. W. Childs—Flowers extra large; exquisite shade of rosy pink.
Inocente—Pure white, beautifully fimbriated.
Alexander Craw—A bold, almost double flower, marbled rose on white ground, crimson maroon blotches.

Prince of Wales—Velvety scarlet, marbled white, blotched maroon.

Edward Perkins—Bright orange scarlet, maroon blotch on upper petals, beautifully fringed and undulated.

Empress of India—A magnificent variety, producing splendid trusses of very large flowers of a brilliant shade of salmon scarlet, the two upper petals blotched with dark crimson; light center.

Gloire de Tours—Flowers of the largest size and of great substance; color bright dark scarlet, upper petals blotched velvety black; center a distinct shade of velvet. A magnificent variety.

Mabel—Upper petals brilliant dark maroon; under petals soft rosy pink; large white center.

Madame Thiebaut—The queen of Pelargoniums. Blotched and marbled rose on white ground; upper petals marked with crimson maroon; large white center and edges of petals also white.

Blue Mabel—Identical with the well-known Mabel, except in color, which is of a rich plum shade.

Beauty of Oxton—The upper petals very rich maroon, darkly blotched; under petals very dark crimson, light centers; all the petals margined with white.

Duchess of Teck—Very large trusses of extra large, semi-double, white flowers; petals undulated and frilled. A grand white variety.

Mrs. Worthington—Large, elegantly-fringed flowers, of a beautiful orange scarlet.

Black Prince—One of the darkest colors, and profuse bloomer.

Countess—Very large flower; cerise salmon, white throat, upper petals splashed with maroon.

Prince George—Large truss of fringed white flowers, suffused with blush, very distinct.

Young plants, 15 cents; flowering plants, 25 cents.

Double Petunia

The new doubled fringed Petunias have become very popular; the fine coloring, exquisite fragrance and continual blooming qualities make them most desirable as pot-plants or for the garden. We have a very fine collection of them and offer young plants at 15 cents each, large plants at 25 cents.

Roses

We have a fine, clean stock of two-year old roses, ready to bloom in spring, and true to name. In making out our list we only enumerate those which will give general satisfaction, and omit all varieties which are inferior. Catalogues are full of new roses with glowing descriptions, but our experience plainly demonstrates that only one out of ten is worth growing. Strong two-year old plants can only be sent by express or freight at purchaser’s expense. The price for these roses is 25 cents each, $2.50 per dozen and $18.00 per hundred.

Oranges and Lemons

Of these we offer:

Otaheite Orange—A dwarf compact growing variety for home culture. Blooms and bears small oranges when only a foot high. As a pot-plant it is the most beautiful that can be grown. We offer nice plants, ready to bloom and bear fruit at 50 cents each.

THE NEW LEMON "Ponderosa"

A wonderful plant for the house or the garden, it will bloom and bear fruit in the second year. The flowers are deliciously fragrant and the fruit which is of excellent flavor is very large, weighing from 2 to 3 pounds. We offer fine young plants 18 inches high in pots at 50 cents each.

NAVEL ORANGES

Washington Navel Orange

Mediterranean Sweet Orange—4 to 5 feet, balled $1.50 each.
Tree Paeonies

Imported from Japan, strong plants, will flower this season and live from year to year. We have dark red, light red, white and pink all double. They are perfectly hardy and most gorgeous shrubs for the garden, 75 cents each.

Climbing Plants

Ampelopsis Veitchii (*Boston Ivy*). Fastens itself to walls, trees or fences completely covering them; beautiful leaves. 15 to 25 cents.

Australian Pea Vine—Fast grower. 15 cents.

Bignonia Venusta—Yellow clusters; tender. 25 cents.

Spotted Calla or Angel Lily—Beautiful variegated foliage; graceful; pure white flowers. To May 1st. Each, 10 cents

Canna (Indian Shot)—Various sorts. Only the finest large flowering. Each, 15 cents.

DAHLIAS

Dahlias have increased wonderfully in popularity during the last few years and justly so, because there are no flowering plants which will give such an abundance of gorgeous flowers during the entire summer season, such a variety of colors, and so easily grown in most any kind of soil. The various Dahlia Shows
during last season added immensely to their popularity. The great improvement in Cactus Dahlias during the last few years have made them the center of attraction. We offer a list of varieties which cannot be excelled anywhere. We offer good dry roots of all these varieties up to April 15th.

**Cactus Dahlias**

(Latest Novelties)

**Brittania**—Beautiful shrimp-pink, long stems.

**Countesse of Lonsdale**—Salmon-tinted apricot towards the base pink petals.

**Miss Webster**—Pure white, elegant flower.

**Matchless**—Dark maroon, perfect form.

**Monarch**—Bright glowing crimson, petals elegantly twisted.

**Night**—Blackish maroon, richest and darkest Cactus Dahlia.

**Starfish**—Beautiful bright scarlet, long stems.

**Sonnenstrahlen**—Canary yellow, lipped white, a new color, elegant flower.

The above 35 cents each, the set of eight, $2.50.

**GENERAL COLLECTION OF CACTUS DAHLIAS**

Every One a Gem

**Austin Cannell**—Soft magenta, tipped pink.

</table>
Centaurea Imperialis—New large flowering hybrids of the sweet-scented Centaureas. Form large, many-branched bushes of 3 to 4 feet in height, and produce an abundance of bloom from July until the frost kills them. The beautiful large flowers vary in all shades of white, lilac, rosy and purple. Undoubtedly one of the finest introductions of this season.

**Per Packet**

| Centaurea Imperialis—Pure white | $0.15  
| "         " Delicate pink      | 15  
| "         " Brilliant rose      | 15  
| "         " Dark lilac         | 15  
| "         " Dark purple        | 15  
| "         " White, shaded purple| 15  
| "         " the above mixed    | 15  

Browallia Speciosa Major—Another beautiful flowering plant of bright blue color. As a pot-plant it is most charming, blooming nearly all the year around most profusely.

Hunnemannia Fumarlaefolia (Golden Poppy)—Considered in very cold climate an annual, but no doubt it will prove a perennial in California. The flowers are of rich, golden yellow, produced in great abundance throughout summer; long stems, fine for cutting; a most desirable acquisition.

**FLOWER SEEDS**

**GENERAL ASSORTMENT**

In this line we offer only what is good for general cultivation. Some seeds we grow ourselves, others we import from the most reliable houses of Europe. We keep no trash, and the seeds can be relied on. All seeds in retail packages we send by mail at our expense.

**Per Packet**

Best Fertilizer
Genuine Pulverized Sheep Manure

The richest and best for all purposes. Can be mixed up dry with the soil at the rate of four pounds to one wheelbarrow of soil, or can be dissolved in water at the rate of one tea cupful to one gallon of water, to be applied to growing plants once a week. We know of nothing better. For grass-plots or lawns use about three pounds to ten feet square, and water immediately after. For roses and other plants, remove a little of the top soil around each plant, apply a tablespoonful of the manure, cover up and water. Price: 5 cents per pound; 6 pounds for 25 cents; per 100 pounds, $3.00.

Canary Island Guano
A Wonderful Stimulant for Plants, Lawns and Trees

One teaspoonful to a gallon of water applied once a week to growing plants is most beneficial. In potting or re-potting plants, mix about one teaspoonful with the soil, for a 6-inch pot. For lawn dressing, use at the rate of two pounds to 50 square feet (5x10). Price of 3-pound bags, 25 cents. Special rates for large quantities.

Imported Garden Trowels
Heavy Steel Trowels........................................... 50 cents each

Remedy Against Insects

The Green Fly, Scale, and other insect pests are very detrimental to plants. In our experience we find the "Sulphur Tobacco Soap" very effective. A solution of this soap at the rate of two ounces to one gallon of water will kill Green Fly and Mealy Bug outright, and will kill mildew, and other fungus growth, without doing the least harm to the most tender growth. The proper method to apply the solution is by a syringe, or, when only a few plants need the application, the rubber sprinkler answers the purpose. The proper time to apply the solution is morning and evening.

Price of Sulphur Tobacco Soap, 60 cents per pound. By mail, 10 cents per pounds extra.

Price of Heavy Garden Syringes, $1.50 to $2.00 each, by freight or express.
Patent Rubber Sprinkler $1.00. By mail 15 cents additional.
GUT FLOWERS

We can supply these at SHORT NOTICE and forward or deliver them in good condition to any reasonable distance.

Fine Roses and Carnations

can be supplied at any season of the year at market rates, carefully packed, and sure to give satisfaction.
